“Diluvian Temperals” is almost here

Changes are slowly occurring to this website. What we mean by slowly is that most of it is done, as you can see, but about 25% of it has yet to be finished. Our graphic designer Jeremy Roux assures us that it will be done in June though. Additionally, Abridged Pause Recordings’ very first release is coming out that month; “*Diluvian Temperals*“. Clicking that link will take you to the Releases page so that you can check out more of Abridged Pause Recordings’ upcoming plans.
