Soufferance And Vision Eternel Boxed Sets Are Sold Out

As of last night, Vision Eternel's boxed set "*An Anthology Of Past Misfortunes*" is sold out! And this past summer, Soufferance's "*Travels*" boxed set sold out! Abridged Pause Recordings and the bands would like to once again thank each and every one of you who purchased a copy of one of these. It really means a lot! Another big thanks to those who were involved in the making of these boxed sets!

So what's next?

For Vision Eternel:

1- The search begins for a new container box that can hold the contents of Vision Eternel's boxed set. There are a handful of copies left of compact discs, cassette tapes, stickers, business card flyers and postcard inserts; the "*An Anthology Of Past Misfortunes*" boxed set was limited by the amount of blue rectangular boxes that were available. Those boxes have been discontinued and were very limited to begin with. If such a replacement box can be found, then there is potential for a second (very limited) edition!

2- Planning has begun for limited edition music and merchandise releases of the upcoming EP "*For Farewell Of Nostalgia*". These are expected for release in early 2020. Vision Eternel is in talks with certain record labels for generally-available music merchandise, but there are plans for limited edition music and apparel that will only be available through the band and Abridged Pause Recordings.

For Soufferance:

– Soufferance is currently dormant so plans have been put on hold. However, Abridged Pause Recordings would like to release the "*Tristesse*" boxed set and the "*Memories*" boxed set in the future, which would contain previously released and unreleased content spanning 2010-2014.

And what's still available?

Don't worry, Abridged Pause Recordings' bands still have merchandise available!

Vision Eternel has a big selection of t-shirts designed by Jeremy Roux and Christophe Szpajdel and also stickers designed by Christophe Szpajdel available at their webstore.

Soufferance still has a handful of copies left of their "*Travels Into Several Remote Nations Of The Mind*" compact disc album and their "*Forthcoming Travels*" compact disc EP available on their Bandcamp page.

Vision Lunar still has a handful of copies left of their "*Luna Subortus*" compact disc EP and their "*Phase One (2006-2009)*" compact disc compilation available on their Bandcamp page.

Abridged Pause Recordings and all these bands are also offering **Free Shipping within Canada** during the month of October 2019! Any bulk purchases should be placed directly through Abridged Pause Recordings at alex@abridgedpause.com.
