# Welcoming artist: Ethereal Beauty

We at Abridged Pause Recordings feel like resting on a cloud when we think of our growing roster of artists, and especially when we listen to Ethereal Beauty. This band will be releasing a split 7″ vinyl with the noted Canadian melogaze band Vision Éternel in mid-2009. This is one of the most promising releases of 2009 and you should make sure that you know Ethereal Beauty ahead of time. We have here for you a free download of the 2-song demo that has been circulating on the internet in the last year and which managed to get Ethereal Beauty signed to Abridged Pause Recordings.
